If the obligor becomes delinquent in the payment of support after the entry of the Order For Support, the obligor must pay, in addition to the current support obligation, the sum of (a) \$ 10 for child support per the payment frequency ordered above for child support, and (b) \$ _____ for maintenance or unallocated support per the payment frequency ordered above for maintenance or unallocated support, until the delinquency is paid in full. (This additional amount, the total of (a) and (b), shall not be less than 20 percent of the total of the current support amount and the amount to be paid periodically for payment of any arrearage stated in the order for support.) A support obligation required under this order, any portion of a support obligation required under this order, that becomes due and remains unpaid as of the end of each month, excluding the child support that was due for that month to the extent that it was not paid in that month, shall accrue simple interest as set forth in Section 12-109 of the Code of Civil Procedure.

Unless modified or terminated by written order of the court, the obligation to pay current support terminates on 1-20-2031 (date of youngest child's 18th birthday), the date on which MADELINE KRAMER (youngest child's name) will attain the age of 18. However, if said child will not graduate from high school until after attaining the age of 18, then the termination date shall be the earlier of the date on which the child's high school graduation will occur or on the date on which the child will attain the age of 19, which is 1-20-2032 (date of youngest child's 19th birthday.) The termination date does not apply to any arrearage that may remain unpaid on that date. If there is an unpaid arrearage or delinquency equal to at least one month's support obligation on the termination date stated in this order for support or, if there is no termination date stated in this order, on the date the child attains the age of majority or is otherwise emancipated, the periodic payment amount required to be paid for current support of the child immediately prior to that date shall automatically continue to be an obligation, not as current support but as periodic payment toward satisfaction of the unpaid arrearage or delinquency. That periodic payment shall be in addition to any periodic payment previously required for satisfaction of the arrearage or delinquency. The total periodic amount to be paid toward satisfaction of the arrearage or delinquency may be enforced and collected by any method provided by law for the enforcement and collection of child support, including but not limited to income withholding under the Income Withholding for Support Act.
